The El Dorado Grizzlies finished the 1954 football season by establishing a record of 7 wins and 2 losses. The Grizzly team, a top contender for the Kansas Juco Conference all season, finished in third place.

They began the season by winning the first two games with ease. Coffeyville, the league winner, handed the Grizzlies their first defeat of the season. Again the Grizzlies started a winning streak, and defeated Ark City, Bacone, and Independence by safe margins. The next setback came from Garden City, the only team that scored more than twenty points against the Grizzlies during the season. The next game, the highlight of the year, was the Juco Homecoming game, November 3. Although Hutchinson played a good game, the high spirited Grizzlies won, 27 to 20. Because of injuries, Highland Junior College forfeited the last game of the season to El Dorado.

The 1954 football season turned out to be one of the most thrilling seasons of recent years. Coach Bob Douglass, assistant coach Bryce Stallard, and the members of the squad are to be congratulated for a successful season.

2-A Stuff

For the first time in several years, El Dorado Junior College had a debate team composed of Paul Gilmore, Jack Crumrine, Nancy Rost, and Leta Davenport. The team debated the national college question, Resolved: That the United States Should Extend Diplomatic Recognition to the Communist Government of China. Although the results for the year are incomplete at this writing, the team is experiencing a very successful year. Early in the season the team captured second place in the Kansas State College tournament. The capable coach of these debaters is L. W. Nixon.

Sleuths

Left to right: Jim Platt, reporter; Jack Crumrine, sports; Dale Hamilton, reporter; Bill Bidwell co-editor; Miss Fisher, sponsor.

Left to right: Thelma Starr, feature writer; Lorraine Maus, feature writer; Marilyn McKnight, co-editor; Jerry Wilson, exchange; Neil Gorby, linotype operator.

For the first time in the history of El Dorado Junior College, the journalism staff edited a paper which was strictly Juco's. In past years the Juco news has been published in a county paper. This bi-weekly edition of Juco "goings on" was under the capable supervision of Miss Dorothy Fisher and co-editors, Marilyn McKnight and Bill Bidwell.

A new club in Juco this year was the El Dorado Junior College Veterans' Club. This club, consisting of all veterans of the wars, has done much to improve the college. Under the capable leadership of Mr. Walbourn, sponsor; Lee Guthrie, president; Max Hancock, vice president; Chuck Patterson, secretary-treasurer; and Dean Lovern, student council representative, they have taken over the responsibility of keeping up the Den, and many other worthwhile projects.
